Synthesis of the case study

Without prejudice to the measures provided in relevant international legal instruments and in reports issued by various bodies, Sport & Citizenship lists the following 25 measures that are identified as current priorities, in terms of the promotion of equality between men and women in sport.

Objectives / Challenges

To educate / raise awareness about the principle of equality for women in sports.

Target

Everyone.

The deliverable (What did they do specifically?)

A list of 25 measures about equality for women and sport.

Key learnings

Very good to use as evidences or polls to do some advocacy.
